4 "C`s" of 2009

We would like to recap 2009 with 4 "C`s"-Changes-Challenges-Confidence-Commitment

2009 brought some refreshing "changes" with the addition of Adam and Becky Fladie as the Program Directors at Galilee Bible Camp (GBC) and Nate and Rebecca Mullins as the GBC Facilities Managers. These new staff members are such a blessing and very necessary for the continued growth God is bringing to GBC.

2009 brought some significant "changes" to American Missionary Fellowship (AMF), the mission we serve the Lord with and who owns and operates GBC. The "changes" in AMF have been in response to their current financial "challenges," largely due to the economy. One of the "changes" has to do with our health insurance, which we are required to carry through AMF. Previously AMF has been able to subsidize a portion of our health insurance. That is no longer possible, so the total cost will have to come from our support funds. As we indicated in our last newsletter, our support is down over \$600 per month. AMF has offered us an option to lower our monthly health insurance premium by choosing much larger deductibles. Currently our premiums are over \$1,000 per month. The other option could save us about \$400 per month. We feel it necessary to choose this option. Please pray that God will grant us good health next year as we go this direction.

No matter what "changes" and "challenges" we may be facing, we are facing them with "confidence" and "commitment." "Confidence" in GOD! We know He is in control and He has a plan. We know He has called us to serve Him with AMF at GBC. We are "committed" to continue to serve Him! There are plenty of "LOST" people in Eastern TN. We are "confident" and "committed" to win them to a saving faith in God through Jesus Christ, as God provides opportunities for us at GBC and beyond. God has already given us the opportunity to have another before school program beginning in January. We have also been invited to be a part of a county wide effort to impact families for Christ. We hope to give more details about this in our next newsletter. Please read the enclosed insert. If God would lead and enable you to help us win the "lost", you can respond accordingly. We appreciate so much all who are already supporting the Lord's ministry through The B Team, by your prayers and financial support. We are grateful for several new supporters and increased support from others.

2009 has been filled with many more "changes" and "challenges" than have been mentioned in this newsletter and we are sure there are many more to come. However, we look forward to 2010 with "confidence" and "commitment" because we serve an awesome God! To Him be ALL THE GLORY
