## "CHANGES"

### WEATHER CHANGES

After an unusually cold winter, spring is finally here; actually, last week we were wondering if we were going directly from winter to summer! On Monday and Tuesday it was so chilly that Bill built a fire in the woodstove--low's were in the 30's! By Friday, Saturday, and Sunday, we hit the mid 80's. Normal temperatures for Tennessee in April are 70/40. The warmer weather is helping us gear up for the summer youth camps. We are aggressively working on the project list. Volunteers have been such a blessing.

### MINISTRY CHANGES

During the school year, we have two before school and one after school programs. Brenda also facilitates a fall and spring ladies Bible study. The ladies Bible studies are over and the school programs have a few more weeks. Other fall, winter, and spring ministries at the camp have included two ladies retreats, two teen retreats, a Super Saturday and another one May 9th, AMF Area Fellowship, two scrapbooking retreats, a marriage retreat, a pastor's luncheon, and a men's outdoor weekend scheduled for May 15-16. We are starting to kick into high gear for the AMF summer youth camps. There are seven sessions scheduled, plus several rentals. A camp newsletter in late May will give more details about the summer schedule.

### STAFF CHANGES

We continue to be blessed by the addition of staff at the camp. Nate & Rebecca have been here for over two months. Even though they can only devote fifteen hours each week to the camp, they have been a tremendous help and encouragement to us. We are praying they get full support soon, so they can be full-time at the camp. God has blessed Nate with a part-time job. Adam & Becky are also a great blessing and help as the Program Directors at Galilee Bible Camp (GBC). We are also looking forward to two summer missionaries. We are so grateful to God for sending all these staff plus so many volunteers to help us in the ministry at GBC.

### SUPPORT CHANGES

Our financial support dropped several hundred dollars a month. However, God continues to provide for our needs in amazing ways. We appreciate all of our faithful supporters--financial, prayer, and volunteer! May God richly bless you!
