

MAILING CHANGES

It seems like everyone, including us, is making efforts to cut costs and save money. One way you can help us save money, is to request our newsletter by email. Several have already notified us to receive their newsletters by email. If you have not notified us and would like to receive our newsletter by email, please email us at bteamcamp@bellsouth.net or return the enclosed paper with your email information, in the envelope provided.

FAMILY CHANGES

Several changes are happening in our children's lives and their families.

Rebekah has been teaching Headstart for a couple of years. Due to the cutbacks, her hours would be changed, making her work later in the day. This would cause some challenges with Travis' job taking him out of town and Elijah and Brenna after school. Rebekah is exploring other opportunities for employment.

Ben's boss has decided to retire and sell out his cattle operation. Ben and Amanda have bought a small farm near Nevada MO, close to Amanda's parents. They will be raising cattle, as well as raising some row crops. They plan to move sometime this summer.

Bethany is taking classes to get her CPA. This is a big challenge while working full-time and having a family which includes an infant. Scott is helping out a lot to make this goal possible.

This family picture was taken at Rebekah & Travis' home at Christmas. Of course, that's us at the top. Next is Rebekah & Travis. Their children, Elijah and Brenna are in the front row. In front of Rebekah and Travis, is Ben holding Kolton, and Amanda holding Dakota. Next is Scott and Bethany. Bethany is holding Chase and Timothy is sitting in front of Scott. We feel very blessed!

Please take time to read the enclosed pamphlet, Investments with Eternal Dividends.
