SUMMER SUMMARY

It has been a busy and rewarding summer. The summer youth camp season, with 7 sessions, is over. We will send a camp newsletter in September to share the information concerning camp.

We enjoyed some personal blessings this summer. Brenda was able to purchase some new equipment for the camp kitchen which provided many improvements. She accompanied her mother to Montana to attend her niece's wedding. All the flights were "on time" and everything went smooth. The outside wedding was beautiful. Bill had a 9 month check up from his surgery and everything continues to be fine. Bill planted a beautiful garden, but the "critters" enjoyed the produce instead of us. We are grateful for some family in Illinois who shared the bounty from their gardens and we were able to can some pickles and tomato juice—thanks Lesa, daddy, Linda and Andy!

Recently our 3 older grandchildren, Elijah age 9 1/2, Timothy age 7 1/2, and Brenna age 7, were able to spend a week with us. We got to do many fun activities. The highlight for Elijah was to catch his first catfish. We took the grandchildren back to their parents and attended Brenda's family reunion in Illinois. Even though it was very hot, we enjoyed spending time with all our children, grandchildren, Brenda's parents, her siblings and their families, plus some extended family. Only one niece was not able to attend.

We stayed a few days in Illinois and were able to visit several of The B Team prayer and financial supporters. We gave out several B Team certificates and many of them were for over 20 years of support! On September 1st, we begin our 23rd year of ministry as missionaries with American Missionary Fellowship. God has richly blessed us with generous and faithful supporters. We are grateful and praise God and thank YOU!

Due to various circumstances, several of our supporters have had to discontinue giving financially. We need to raise an additional \$400.00 per month to meet our budgeted goal this year. If you feel God would want you to be a part of His work through The B Team at Galilee Bible Camp, please fill out the enclosed paper and return in the envelope provided.

FALL PLANS

After a trip to visit family and supporters in MO we will begin our before school programs and ladies Bible studies. The after school program has already started. We already have the following scheduled, a youth rally on September 21, a Super Saturday on October 13, and a weekend teen retreat on October 26-27.

If you live in this area, you can get more details about these on the website: www.galileebiblecamp.org
