

Jesus says in Matthew 5:14, "Ye are the light of the world. A city that is set on an hill cannot be hid."

Our motto at Galilee Bible Camp is:

A Light in the Mountains--a camp ... that cannot be hid!

MEET THE TEAM!

Bill & Brenda Bennett
Camp Missionary/Executive Director

Adam & Becky Fladie
(Noah, Josiah, Emily)
Area Missionary/Camp Program Director

Nathaniel & Rebecca Mullins
(Julianna)
Camp Missionary/Facilities Manager

God is expanding the ministry team at Galilee Bible Camp (GBC). We are all missionaries with American Missionary Fellowship. Bill and Brenda live on the camp in the mission house. Adam and Becky live in Huntsville, about 45 minutes away from the camp. Nate and Rebecca are in the process of moving from Florida and have a house rented in LaFollette, about 20 minutes from the camp. Nate and Rebecca will be coming to GBC as "Partners" because they do not have adequate financial support yet. That means they will only be able to work part-time at the camp and will have to supplement their missionary support with outside part-time employment. Please pray that God will SOON provide the support needed for them to be full-time. We NEED them! You will see especially why as you read further in this newsletter. Also, information will be given later in this newsletter if you are interested in financially supporting Nate and Rebecca, or the Bennetts, or the Fladies, or the camp.

Specific, detailed job descriptions are still in process for each team member, but the key word is team. Even though we may each have our specified areas, we will all work together to get the needed jobs/ministries accomplished. Generally speaking, the Bennetts will oversee the entire operation of GBC, including business operation, financial development, public relations, newsletters, correspondence, rentals, etc. The Fladies will oversee all AMF sponsored GBC ministries and activities, which includes planning, scheduling, promoting, staffing, training, supervising, follow-up, etc. Adam's computer skills will be very beneficial as we plan to produce promotional DVD's etc. The Mullins' will focus on the buildings and grounds, helping make sure all facilities are ready for all scheduled use in addition to other projects to repair, improve, or expand the camp buildings and grounds. Nate also plans to get his lifeguard certification and Rebecca is a registered nurse--great assets for GBC! Each team member is also encouraged to have ministries beyond the camp, as the Lord leads.
