

One of the dreams of our predecessors was to develop a RV park area to be used for family camping and to provide a place for missionary work groups to stay while doing volunteer work. (There are several groups of retired people who travel from place to place in their RV's to do volunteer work.) Preliminary clearing of trees has begun in preparation for this project. We are still in the beginning planning stages and hope to have more information in our next camp newsletter (May). We appreciate your prayers for wisdom as we plan.

All of our ministry goals for 2007 were accomplished. Praise the Lord! The main goal for the buildings and grounds in 2007 was to complete the Hull Building, to be used for adult ministries. It is 90% done and has already been used for a few adult ministries and activities. We are praying the Hull Building will "grow" in its use this year. One adult ministry being planned is a weekend ladies retreat in May. Information concerning this event can be gotten on our camp website (listed on the front).

We are once again grateful to God for His provision of finances. YOU gave, GOD blessed, and GBC ended 2007 in the BLACK! (As you might remember, GBC was operating in the RED in 2003) We PRAISE GOD and THANK YOU! Of course, as GBC "grows" in the number of days it is in use, the expenses to run the camp "grows". If you would like to help keep GBC "growing", you may use the enclosed self-addressed envelope to send a financial gift. Please make checks payable to American Missionary Fellowship to receive a tax deductible receipt.

MARK YOUR CALENDARS!
50TH YEAR CAMP REUNION
SATURDAY SEPTEMBER 13TH
More details in the next camp newsletter (May)

Bill & Brenda Bennett
Camp Missionary/Manager

P.S. On a personal note, our family is also "growing"! We are expecting two new grandbabies in 2008. Bethany, Scott & Timothy will be adding a baby boy to their family in late May. Ben, Amanda & Dakota will be adding a member to their family in early September.
