## Camperships & other gifts

We never turn away children who want to come to camp because they do not have the funds. We have had several children already request camperships for this summer. If you would like to help sponsor a child to come to camp, you can fill out the enclosed paper and return to us. If you would like to send a gift for the tractor fund or the overall expenses of the camp, you can mark the paper accordingly. Please make any checks payable to American Missionary Fellowship and return in the envelope provided.

## Personal News

In our last B Team News, we asked for your prayers for some health concerns. Some of you are aware, others are not, that Bill was diagnosed with prostate cancer on May 1st. A bone scan indicated that the cancer is not in the bones, for which we are very grateful. Surgery was able to be postponed until August, so we can enjoy Bethany's wedding, 3 of our grandchildren for camp, and our other youth camp ministries. Bill is feeling fine and has had no symptoms. The condition was found through a routine physical. Surgery is scheduled for August 24th. We are trusting God with all the details and appreciate your prayers.
