

The Mullins Message

Volume 1, Issue 4

reetings from sunny Florida! We hope this letter finds you and your family well. Can you believe it is almost summer?

WHAT'S NEW

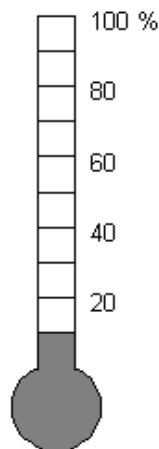

We attended the area conference at Camp Galilee on April 19th. We met some new people that have had a part in the Camp over the years, and were able to spend time with some we met at the regional conference this past fall. I must say it quite felt like a family reunion (the good ones where everyone gets along).

While there we determined that we will probably rent for the first year or so. This will allow us to take our time to find a place. We can get a feel for the housing market there. Also, the way the market is right now we believe it would be wise to wait. Fortunately, this allows us to determine what our goal will be per month. On paper, we will need to raise just under 5,000 a month.

So, Nate has been working on support raising, and things are not moving as quickly as planned. We know God is in control and we will get there in His time. However, we have had much progress since the last newsletter. A number of generous people joined our support team these past months, and we are extremely grateful.

WHAT'S NEXT

We will continue to work on building our monthly support team. In the upcoming months, we hope to travel to meet with families outside Pensacola. We are traveling to the home office in Pa. for Orientation Week II the first week of June. Here is our goal thermometer:

IN CONCLUSION

I (Nate) would like to take this opportunity to recognize my wife, Rebecca, and brag on her. She has been very supportive during this time and has been working hard at the hospital so I may spend the days trying to get appointments and do presentations. **She has been absolutely phenomenal!** Please pray that this time will go quickly as it does get discouraging.

Thank you to all who have been praying for us. We know your prayers are helping us along in our journey, and we need them now more than ever. As we draw closer to the goal we become larger targets for the enemy. We know he will try to distract, derail and deter us along the way. Please tell us how we can pray for you too! We are on this journey together and need to support each other. Please drop us a note in the mail or send an email. Our contact info is at the top of the page.

Please pray for the following:

- Wisdom and spiritual well being
- Ministries we should get involved with now
- People who will pray for us every day
- People who will give (financially or otherwise) as the Lord provides and directs
- Housing where we are to serve
- Safety as we travel
- Opportunities to give presentations

May God Bless you!
