

The Mullins Message

May/June 2009

Volume 2, Issue 2

Greetings from beautiful Tennessee! We hope this letter finds you and your family well. Can you believe summer is already upon us?

God continues to bless us greatly since our last letter! First, we were able to move at the end of February, as shown by our new address in the header! We are so excited to be here! Another answer to prayer, God provided part-time employment for Nate at a local hardware store, and he walks to work since the store is located only three blocks away (which is a bonus!). He will need to remain employed until our support is completely raised, which Lord willing, will be soon! We have also been blessed with "poundings" upon our arrival here, where many generous folks gave us food and household goods. Praise the Lord!

Shortly after settling in, our activity level shifted into high gear. Since our arrival, Galilee Bible Camp has hosted a scrap booking retreat, ladies retreat, teen retreat, an area fellowship, and a "Super Saturday". Upcoming is a men's outdoor retreat, and then we dive into our summer schedule. Rebecca hones her cleaning and painting skills while Nate accomplishes many tasks including building and painting. Also, Nate worked in the kitchen during the ladies' events. Recently he completed his lifeguard certification in Knoxville.

Rebecca volunteers at a Pregnancy Help Center one day a week, which assists girls and women of all ages with pregnancy needs. Teen pregnancy rates in Campbell County are one of the highest in Tennessee. The center gives abortion-minded clients information and support, so their unborn child might have the opportunity to live. The center provides adoption assistance when needed along with pregnancy testing, clothing, and other resources.

Julianna has changed so much in the past months. She discovered her voice, which reaches high notes (near ultrasonic) many times a day! She enjoys her bouncy seat with the plethora of toys surrounding her, and is

also discovering solid foods and the ability to store them in various places for later discovery (usually by mom)! We still have hopes of finding a "normal" schedule for her sleep and wake cycles. We praise the Lord for a happy and healthy daughter.

We are so thankful for each one of you who has helped make it possible for us to be here. Thank you SO much! We are very aware of the economic situation of the country, but we hope and pray this letter demonstrates God's ability to meet your needs. No matter what the future may hold, the Lord is our strength, shield and provider. Let us not forget Him in these difficult times.

Please pray for the following:

- Wisdom and spiritual well being
- Financial support so we can spend more time at camp
- People who will pray for us every day
- People who will give (financially or otherwise) as the Lord provides and directs
- Continued health
- Safety as we travel
- Opportunities to give presentations

May God Bless you!
